

**SM GLOBAL EXPORTS**

*"Your Gateway To Global Trade"*

**Premium Jute Bags Exported Worldwide  
with Quality & Trust**

# ABOUT US

**SM Global Exports** is a growing name in sustainable exports, specializing in high-quality jute bags crafted with care and responsibility. Though new to the global market, we bring years of trusted experience from the domestic sector, built on consistent quality, skilled artisanship, and strong customer relationships rooted in India's rich jute heritage.

We manufacture **Durable, Eco-Friendly, & Biodegradable Jute Bags** — including shopping, tote, and customized promotional solutions — designed to meet modern utility and global standards. With a focus on sustainability, timely delivery, and transparent business practices, we aim to build long-term partnerships as we expand responsibly into international markets.

# ABOUT US

**SM Global Exports** is founded and led by **SK Mehedi Alam** with a vision to promote sustainable jute products in global markets. Built on reliability and consistent quality, the company focuses on meeting international trade standards and buyer expectations.
